Pull request URL used to validate the workflows

<https://github.com/varunkushwah31/github-skills-challenge/pull/1>

Screenshot showing the GitHub Actions workflows

Screenshot showing a successful test workflow execution

The screenshot displays the GitHub Actions interface for a workflow named "test" in the repository "github-skills-challenge" by user "varunkushwah31". The workflow is shown as failed, indicated by a red 'x' icon and the text "Added workflows #2". The left sidebar contains navigation links: Summary, All jobs, Run details, Usage, and Workflow file. The main content area shows the workflow steps: "Set up job" (0s), "Checkout code" (1s), "Set up Python" (1s), "Install dependencies" (8s), and "Run tests with detailed output" (1s). The "Run tests with detailed output" step is expanded, showing a command prompt with the command "Run pytest -vv". The top navigation bar includes links for Code, Issues, Pull requests, Agents, Actions, Projects, Wiki, Security and quality, Insights, and Settings. The top right corner features a search bar and various utility icons.

Screenshot showing the coverage result/comment on the pull request

This screenshot shows the GitHub Actions interface for a workflow named 'python-coverage'. The workflow is in a 'Succeeded' state, having completed 18 minutes ago. The left sidebar contains a 'Summary' section with links to 'All jobs', 'python-coverage', 'Run details', 'Usage', and 'Workflow file'. The main area displays the 'Annotations' for the 'python-coverage' job, listing steps such as 'Set up job', 'Build py-cov-action/python-coverage-comment-action@v3', 'Checkout code', 'Set up Python', 'Install dependencies', and 'Run tests and generate coverage details'. A 'Re-run all jobs' button is visible in the top right corner.

This screenshot shows a GitHub Pull Request (PR) titled 'Added workflows #1'. The PR is in a 'Ready for review' state, with a green 'Open' button and a 'varunkushwah31' user icon. The PR description includes a comment from 'varunkushwah31' stating 'No description provided.' and a commit message 'Added workFlows'. The right sidebar shows the 'Reviews' section with a 'Copilot' review and a 'Request' button. The bottom of the PR shows the commit history with two commits: 'e2635be' and '65a7317'. The PR is linked to the repository 'varunkushwah31 / github-skills-challenge'.
